**University of Zurich – Charles University Prague
Prague-Zurich Travel Fund**

With the goal of facilitating cooperation in the framework of their strategic partnership, the University of Zurich (UZH) and Charles University (CU) have established a travel fund to cover travel and accommodation expenses for scholars visiting their colleagues at the respective institutions. The funding seeks to contribute to the networking of researchers and to the internationalization of teaching.

The travel fund is open to researchers of all disciplines. Joint activities in research and/or teaching can be funded.

Selection criteria

Funds are granted on a “first come, first serve” basis. The number of grants per institute / faculty is limited. Funding decisions are based on the utility of the activity for the establishment of sustainable partnerships in research/teaching and institutional connections between UZH and CU. At CU, applications can be handed in by senior faculty (Academic Ambassadors). At CU, the applicant must have PhD degree. At UZH, applications can be handed in by both senior faculty (professors) and/or junior researchers (PhD students or Post Docs).

The maximum amount per application is 500 Euro.

Submission of applications

Applications can be submitted throughout the year at the end of each month using the application form. Please also submit the following documents:

- Short CV of the applicants (max. 2 pages)
- Written statement of agreement of the host institution
- In case of applications from young researchers at UZH: Statement of support of your institute/faculty

Please submit your application electronically at your home institution to:
