The financial support only goes to those activities that cannot be alternatively funded from:

- external resources (EU programmes, etc.)
- internal resources (Post-doc fund, Mobility fund, etc).

Method of financing

Transfer of resources from the SP fund – CSP transfers the total amount of all approved projects to the faculty in advance. The transfer is supported by a (stamped and signed) Project Summary Statement of the SP fund. The faculties obtain the same table in an Excel file in order to record drawdowns of the funds.

Keeping records of drawdowns – Financial recordkeeping takes place at the faculty level only. The faculty is also responsible in terms of audits. The faculty submits to the Centre for Strategic Partnership only the above-mentioned statement including the actual amounts drawn down. When drawing up the budget, it is necessary to observe the principles of economy, efficiency and effectiveness of the funds spent.

Eligible costs:

- i) **Travel costs, subsistence allowance and accommodation costs of CU employees travelling abroad** in the amount of the basic rate of foreign subsistence allowance according to the valid decree;
- ii) **Travel costs, accommodation costs, subsistence allowance and out-of-pocket expenses of foreign partners** - subsistence allowance and out-of-pocket expenses must be determined in accordance with the provisions of Section 188 (4) of Act No. 262/2006 Coll., the Labour Code, and implementing decree issued pursuant to Section 189 (1) of the Labour Code;
- iii) **Remuneration** to visiting professors (the honorarium must always be justified in the application; exceptionally, a conference fee may be requested; honorarium for teaching only if teaching is part of the study plan);
- iv) **Support of joint research centres or centres with strategic partners** – if joint research or strategic centres are established, the Fund for the Support of Strategic Partnerships may partially subsidize their activities. In these cases, instead of the final report, we will request submission of an annual balance report providing overview of the team's operation and activities.
