# ASSESSMENT OF PROPOSALS

---

Proposals are assessed based on the following criteria:

K1: Academic benefit (need and relevance of the project) – 30% (max. profit)

K2: Quality of proposal (concept, methodological approach, and clear output) – 25%

K3: Budget economy (financial resources are justified) – 20%

K4: Applicant's ability to implement the project (professional qualifications of researcher, team) – 25%

The most successful projects will be funded by the FSP.

The structure of the Committee for the Fund for the Support of Strategic Partnerships is provided in the contacts.
