
CENTRAL Leadership Program 2024

In year 2024, the CENTRAL Leadership Program took place from 25th August to 15th September 2024. **Twenty-eight students from seven Central European universities** visited all five universities in the CENTRAL Network, which provided them with a rich program. Participants gained invaluable insights into the diverse realms of economy, politics, diplomacy, society, and public service, essential for aspiring leaders in Europe. Specialized workshops **refined leadership skills and provide deep insights** into the region's political and cultural dynamics.

Furthermore, the students enjoyed **three-day courses in diplomacy, science, and society** at each location, complemented by enriching cultural programs. Preparatory online meetings ensured participants are ready for this transformative experience.
